

ICAR-NRC on Yak celebrated “*Farmers interaction programme with Hon’ble Prime Minister*” in collaboration with Krishi Vigyan Kendra, West Kameng, Dirang, Arunachal Pradesh

Dirang, June 20: ICAR-National Research Centre on Yak (NRCY) in collaboration with Krishi Vigyan Kendra, West Kameng District, Dirang celebrated “*Farmers interaction programme with Hon’ble Prime Minister*” on 20th June’2018. A total of 105 livestock cum agriculture farmers along with 35 Government officials from different departments in and around Dirang attended the programme.

In connection to this programme, a “*Farmers-Scientists Interaction*” programme was also conducted in the auditorium of the institute. Scientists from ICAR-NRC on Yak and KVK, Dirang interacted with the farmers on different aspects of scientific management of livestock, pest management in vegetables, soil health management, integrated fish farming, vermi-composting etc. Thereafter, the live telecasting programme of *Hon’ble Prime Minister’s* address towards doubling farmers’ income was initiated. Dr. D. Medhi, Senior Scientist cum i/c Extension unit of the institute coordinated the programme and the programme was successfully completed by active co-operation of the scientists cum technical officers of ICAR-NRCY and KVK, West Kameng District, Dirang.
