

Visit of his Excellency the Governor of Arunachal Pradesh

His Excellency, the Governor of Arunachal Pradesh Birg. (Dr.) B. D. Mishra (Retd.) visited ICAR-National Research Centre on Yak, Dirang on 16th Jan. 2018. In a meeting held with the scientists of the institute on his visit, the Director (Acting), ICAR-NRCY, Dr. P. Chakravarty presented a documentary highlighting the importance of sustainable yak husbandry for the highlanders in the country and the activities of ICAR-NRC on Yak on its conservation and improvement including the technologies developed for the purpose. His Excellency appreciated the activities of the institute and commented “Everything I saw here was unique, novel, state of the art on the subject and excellent. This centre is extremely well maintained”.
