

ICAR-NRC on Yak participates at Republic Day Celebration 2023 of Dirang Administration

On the occasion of the 74th Republic Day, the Extension Unit of ICAR-NRC on Yak set up an Exhibition stall highlighting the ongoing initiatives of the Institute for promoting yak husbandry and yak herders across the country at Lupon Ground, Dirang which was organized under the aegis of the Dirang administration.

Since its inception, ICAR-NRC on Yak has always worked at the grassroots level for the benefit of the yak herders. Participation in the important National days of the country has been an important effort to connect with the local populace and in bridging the gap between the transfer of the technologies developed by the institute from lab to farm/ land.

The purpose of the exhibition stall was to showcase the technologies developed by ICAR-NRC on Yak since its inception in 1989. The products that were displayed on the occasion were popular publications published by the institute and yak fibre products prepared in the LPT section of the institute. The exhibition stalls were inaugurated by Shri.J.T.Obi , ADC, Dirang who was the chief guest on the auspicious event, accompanied by esteemed local leaders and officers.

The dignitaries who visited the stall appreciated the efforts of ICAR-NRC on Yak especially the ongoing initiatives of Sedentarization through the Semi-Intensive rearing of yaks, Bankable scheme for profitable yak farming ,insurance for yaks, approval of yak as a food animal by FSSAI which are all aimed at encouraging yak husbandry and promoting the stakeholders to increase their livelihood by making yak farming a lucrative venture.

On this occasion, Dr.K.Mepfhuo, Scientist, ICAR-NRC on Yak was awarded a Commendation Certificate by the Office of the ADC, Dirang, West Kameng, Arunachal Pradesh for her contribution to the citizenry of the area in her capacity as a personnel of the Institute who works closely with the yak herders and other farmers at the grassroots level.
