

ICAR-NRC on Yak celebrated 93rd ICAR's Foundation Day

ICAR-NRC on Yak, Dirang joined the ICAR's institutes in celebrating the 93rd Foundation Day of ICAR by taking part in the Nation –wide campaign on tree plantation and awareness on the 16th July 2021 under the focal theme, 'Har Med Par Ped'

DrAneet Kour, Scientist delivered the welcome address where she briefed the house on the significance of the day while highlighting the salient achievements of ICAR..

As per the scheduled programme, the house joined the virtual online programme hosted by ICAR-CAFRI, Jhansi and which was inaugurated by Dr.Trilochan Mohapatra, Secretary,DARE &DG,ICAR. After the online programme, Dr.Mihir Sarkar, Director, ICAR-NRC on Yak, Dirang addressed the house and shared on the genesis of ICAR and the relevance of the plantation which is a step towards mitigating climate change. The programme ended with vote of thanks by Mr.P.Namje, Technical Officer, ICAR-NRC on Yak. After the programme, all the participants proceeded to take part in the plantation drive in the office and residential campus of the institute lead by the Director.

Altogether, 20 Neem and 30 Thuja plants were planted during the plantation drive.
