

TRAINING TRIBAL WOMEN UNDER TSP

Dirang, 6th July, 2018: A three days training programme on “Yak fibre processing techniques and garment making using Yak-Jute blended garments” for tribal women of West Kameng district of Arunachal Pradesh was organized at ICAR-NRC on Yak, Dirang under Tribal Sub Plan from 04.07.2018 to 06.07.2018. Ten tribal women participated in the training. The main focus of the training was to train tribal women on value addition of yak fibre and garment making using Yak-Jute blended garments. The participants were given hands on training on use of sewing machine, taking of measurements, cutting of fabric for garment and garment manufacture.

Garments making training under progress
